

Brown's Paw Prints

January 27th – 31st, 2014

Science

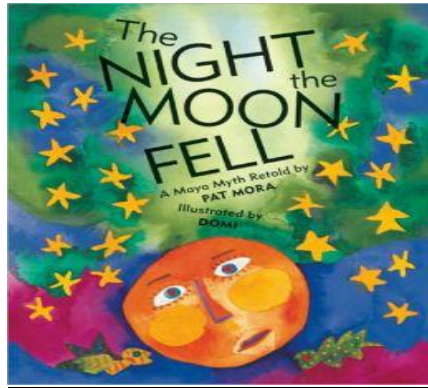

The children are enjoying our unit on Lifecycles, specifically, caterpillars. They have watched them grow and they are just about to enter the chrysalis stage. We will then transfer them to the butterfly cage and watch them transform.

We will celebrate Valentine's Day on the 14th in our classroom. Please have your child make or buy some sort of mailbox for the Valentine's Day cards which will be delivered to them by their friends. A class list will be sent home next week.

Reading

Objectives:

- Vocabulary:
Multiple Meaning Words
Context Clues
- Phonics:
Syllable Patterns
